

Café Menu

Spring 2018

We're pleased to announce that we're working on a new restaurant project.

The café menu and hours will be limited during the spring of 2018 while we focus on the numerous tasks needed to open a new business.

Charcuterie Board \$16

Three different Nordic meats and sausages

Three different Nordic cheeses

Pickled Fruits, Vegetables and Mustard

Served with Flatbread

Daily Soup

The daily soup will rotate between:

Yellow Split Pea with Ham

Norwegian Fish Stew with Root Vegetables

Potato-Leek

Soups are served with Limpa (Swedish rye) and Butter.

Tastes & Cocktails

All of our distilled products are available for samples and a small selection of miniature 'tasting cocktails' are available for customers who prefer mixed drinks to straight alcohol.

Herring

Our supply of 2017 herring fillets has been used up and pickled herring will be available only sporadically until the next harvest in June.

We're sad about it too.
